Pastor's Corner

October is a month of great blessings and great fun around Angel Heart.

We have the wonderful blessing of a new alter to grace our sanctuary and enhance our spiritual services.

As the church continues to grow and evolve (and it is growing) it requires more work to keep up with all of the activities and events that are planned. We make changes and try new things as we go along.

Therefore, I have the pleasure of announcing the appointment of a Board of Trustees that will help with the operational running of the church. These are dedicated members who feel that they have the time and energy to serve the church and to help secure its future. Please give them all of your love and support.

I know that our Mediums are looking forward to giving readings at the Sybil

Phelps Museum in Palmyra this month. It is our second annual visit and one we look forward to.

Because we have had to postpone our Reincarnation Ball once again... we are planning a "get together" at the church anyway. A little Halloween celebration if you will. We hope you will join us here on October 27th for some fun. More info in upcoming events.

We are looking for donations of crystals that you no longer use or are no longer "drawn to." We are hoping to put them in a raffle to benefit the church. All donations are welcome. Please bring them to the church. We will provide a collection basket for them.

New Altar

You may have noticed that we now have a lovely wooden altar in the sanctuary of the church. The beautiful trestle table was a gift to the church from Deb Townsend. We decided that the table was so lovely that it deserved a place of honor and it has become our new altar.

It is hoped that we will enjoy many spiritual services that will certainly be enhanced with this lovely gift.

We would like to thank **Ron Gates** and **Jim Lester** for their efforts in setting the new altar up and making the necessary adjustments to the sanctuary.

Board of Trustees

We are very pleased to announce the creation of a Board of Trustees for the church. These dedicated members have been selected to serve the church in many capacities. They will be responsible for the financial and physical well being of the church. Members of the Board of Trustees are **Rose Lester**, **Jeanne Krebbeks**, **Diana Mourey**, and **Ron Gates**.

Happy Halloween.

Upcoming Events

Our Mediums have been invited to do readings at the **Sybil Phelps Museum** located on Market Street in the Village of Palmyra on the evening of October 10th. This is our second annual visit to the museum and it is an event we truly enjoy.

We are planning to hold a Celtic Ritual called Samhain here at the church on the evening of October 27th. We are asking that everyone bring a "dish to

pass" that evening and to make a small donation to the church. This event will be facilitated by **John Olschewske** or **Suzanne "Metty" Mettlach**.

Psychic Saturday is October 6th this month. We'll see you there!

Oct. 22 **Michalene Wojtkowski** will be giving a class on the **Destiny Cards**. Everyone is welcome to attend. You must have the book, "Cards of Your Destiny" by Robert Lee Camp. A \$10.00 donation is requested. Class starts at 7PM.

Healing Tree Ribbons

We have ribbons for the healing tree. The healing tree is a fund raiser for the church. Please write "In memory of..." or a person's name who is in need of prayers, etc. on the ribbon and attach it to the tree. A \$1.00 donation is appreciated.

Housekeeping

Many, many thanks go out to **Marcy Crawford** for the time and energy she donates to the church in cleaning. Please give her a hand by picking up after yourself. If you use it... put it away. If everyone does their part, it will be less work for this dedicated member.

Let Your Light Shine

Whether you are new to the church or you have been with us for a while, you are always welcome to share your gifts or talents with us. We all love to listen to a solo on Sunday mornings, or "chow down" on some delicious baked goodies... perhaps you paint or have other gifts that Spirit has graced you with. Please don't be afraid to step up and tell us about yourself if you'd like to help out in some way.

Old Eyeglasses Wanted

We are still collecting old eyeglasses to be given to charity. If you have any old glasses lying around your house, please consider bringing them in so that people in third world countries will have an opportunity to improve their vision.

Tues. Evening Meditation

We have a Tues. evening meditation circle that meets at the church at 7PM. This circle is open to all who would like to attend.

A Poem by Carol Davis

In the spaciousness of time there walks a moment.

Once, I had a chance to ask moment,
could you help me draw this poem?

He said he wasn't certain, but he would try.

And in that moment I discovered how a pencil could fly.

Moment took my poem and drew a

Bulletin Board

The bulletin board is for everyone's use. If you have something to sell, share or if you are looking for something, feel free to use the bulletin board. It is the "hub" of the church. Don't forget to look for the little pink angels...as they politely ask for things that the church is need of. Perhaps you can help out.

are you pleased,

I returned his glance with a tear in my

On the evening of Wed., Oct. 24th, Reverend Dennie will be presenting a class on Dowsing at the church at 7PM. A donation of \$10.00 is requested.

What is Dowsing? Water witching, divining, questioning, doodlebugging are all terms for dowsing.

Someone said it is like mother's intuition with a "read-out" device.

Dowsing is an ancient art used to search

for water, minerals, and other objects.

Take this one night class and see how you can use this art in your every day life.

If you have them, feel free to bring your pendulums, and divining rods. If you don't have any... we'll have some you can use for the class.

Newsletter Stuff

If you have information that you would like to see included in the church newsletter, please see the Pastor.

If you have the computer, ability and would like to write a monthly newsletter for the church let us know.
